**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition to get better internet. For 15 years we suffered with poor DSL speeds and high prices. Please do the right thing and push back against AT&T. We need more individual service providers like Sonic.

Freedom of choice is good for the market and we should know as weve been customers of fiber for 2 years. Things are turning around. Lets not go back to the dark ages.
